

## XTB UK Election Cashback

### Terms and Conditions

1. In this promotion certain words and expressions have the meaning set out below

**Account;** a real money trading account that Customer holds with XTB , and enables the Customer to trade XTB's products with their own funds;

**Cashback;** should be understood as a return of some of the trading cost to the Participant previously charged on transactions made across Selected Instruments offered by XTB.

**Customer;** should be understood as a natural or legal person with whom XTB has entered into an agreement with by accepting them as real trading account holder;

**Minimum Requirements;** Turnover requirement of 1 round lot (open and closed trades) on either or both of the Selected Instruments, that must be met by the Customer in order to receive Cashback;

**Participant;** it shall mean a Customer who opts into the Promotion by accepting the Regulations;

**Promotion;** should be understood as the UK Election Cashback rebate concerning the reimbursement to the Customer of Cashback;

**Promotion Period;** should be understood as the period from 1<sup>st</sup> June 2017 until 30th June 2017;

**Regulations;** should be understood as the terms and conditions that govern this Promotion;

**Selected Instruments;** shall mean the following instruments offered for trading by XTB: UK100 and GBUSD

**Turnover (lots);** should be understood as the total volume of round trades (open and closed) made on the Selected Instruments only;

**XTB;** should be understood as XTB Limited;

2. This Promotion starts on the 1<sup>st</sup> June 2017 and is directed to Customers that, prior to and during the Promotion period, express an interest to participate in accordance with the provisions of the Regulations.

3. In order to become a Participant in this Promotion and receive Cashback, a Customer must hold an Account with XTB, be a resident of the China, Hong Kong, Macau, Republic of Ireland, Taiwan or United Kingdom and register their interest by submitting their details via the dedicated Promotion site <https://en.xtb.com/uk-election-cashback-opt-in>.

4. Minimum Requirements calculation will consider the total amount of Turnover generated across all the Accounts held by the Customer.

5. Trading Account types considered for this promotion will be Standard and Pro. Any Turnover generated through Basic accounts will not be considered when calculating the Minimum Requirements.

6. The Cashback awarded will be 20% of trading cost returned to the Customer if meeting the Minimum Requirements on the Selected Instruments. The cost returned for Standard Accounts is based on the spread paid by the Participant. The cost returned for Pro Accounts is based on the commission paid by the Participant.

7. Cashback shall be calculated at the end of the Promotional Period for positions that have been opened and closed within the Promotional Period.

8. This Promotion cannot be combined, offset or used in conjunction with any other promotion, special offer or discounts offered by XTB relating to the Selected Instruments.

9. Cashback will be deposited to the Customer's Account within a maximum period of 7 days after the Promotional Period. Cashback will be deposited only if the Minimum Requirements have been met.

10. XTB may at its own discretion change the Cashback values at any time.

- 11.** XTB may at its own discretion remove a Participant from the Cashback scheme.
- 12.** XTB may at its own discretion amend or terminate this promotion at any time.
- 13.** Payment of a Cashback to a Participant should not form the basis of any decisions the client makes in relation to his/her Account.
- 14.** Turnover will be calculated for all trades opened and closed on the Selected Instruments.
- 15.** XTB shall not be liable for any errors, computer, software, Internet, telephone, technical, hardware, and for other irregularities that may occur during the Participant Promotion in connection with participation Promotion.
- 16.** XTB does not bear any particular responsibility for any interference on telecommunication circuits, transmission errors data and the interference in the transaction, which may affect the Cashback.
- 17.** Should there be any discrepancy between the English and translated versions, the English version shall prevail.
